

# Recorder Ripples

Volume VI, Issue 1

September 2014

## Chapter 50th

In 1964, the Rochester Chapter was born, and folks from all over the region gathered to learn and play recorder, to discover different genres of music, and to make new friends. This season marks our 50th and we hope to celebrate it with a bang!

To make this season special and memorable, we are asking for as much help as possible in one of four areas:

- Merchandise
- Anniversary CD
- Concert
- Celebration

Each committee will meet on their own time to discuss and plan their activities. To have many volunteers will alleviate some stress and pressure on the board to be the sole planners of both the regular season activities and our special celebrations. There are some great ideas that are ready to be implemented as well as some gaps that need to be filled. Please consider assisting in making the 50th season something special to remember!

## New Members

It's never too late to welcome new members, even if they aren't able to join by Registration Night. If you know of someone who might be interested, don't let them wallow in the bleakness of life without recorders until next season! Send them our way today!
