

# Recorder Ripples

Volume VI, Issue 2

November 2014

## Fall Workshop

Don't forget! This Saturday, November 15, from 9am-12pm [regular workshop] and 1pm-3pm [play-along], in Hubbell Hall. Please plan on arriving at 8:30 to sign in, gather your music, and purchase some raffle tickets for the Von Huene certificate. We will also have some library music available for purchase during our breaks, and some yummy snacks (of course!).

If you have any music and would like to share it at either the morning workshop or the less-formal afternoon play-along, don't forget to sign up at the meeting! If you aren't comfortable leading the piece you bring, don't let that stop you! There will be others willing to step in and lead for you.

In touch with any former members who still enjoy playing music? Invite them to come to either session! Please remind them to notify Regina at [regina.cim@gmail.com](mailto:regina.cim@gmail.com) so there is an accurate headcount for music.

## Winter Gathering

Tuesday, December 10, is our Winter Gathering! Plan to arrive at the usual time and make sure to bring all those goodies to Hubbell Hall! Our repertoire will include performances from classes and outside groups as well as a play-along.

401 Rogers Parkway, Iron.  
Free-will Offering

## Inclement Weather

It's that time of year again, when blizzards and icy roads preclude many members from making the drive to our Tuesday meetings. If the weather seems too severe or schools/evening activities are cancelled in the region, an email will be sent out as early as possible. Also, teachers will be notified and will call their students to make sure nobody braves the snow or ice in vain.

## Membership List

At this week's meeting, be sure to review the membership listing and initial next to your name if no changes must be made.

If there is an error, please correct it on the page and the correction(s) will be applied. The final lists should be available at the Fall Workshop.

## 50th Anniversary Logo

The logo design is coming along nicely, and there should be a couple of options up for voting at the Fall Workshop! Please carefully look them over and think about which one you would just love to have on a t-shirt, canvas tote, or other merchandise item.

And remember, there is still time to join one of the 50th anniversary committees; many hands make light work!
