Spring Workshop Music

Our Spring Workshop with Will Ayton was a lot of fun for all! As an added bonus, Will has allowed our members to have free copies of all the music he provided for the workshop, regardless of attendance. Regina has passed the PDFs of the music to Stan, who has stored them in the chapter Dropbox account online, where they can be downloaded and printed for your enjoyment! Click on the following link to find them:

If you are unable to access the files, please notify Jessica for hard copies.

Chapter Merchandise

If you forgot or were unable to sign up for a new 50th Anniversary T-Shirt bearing the newest logo, please contact John Heyer to view the sizes, styles, and color options for the shirts.

This is a great opportunity for some Rochester ARS gear if you have joined the chapter after the purchase of the last set of shirts.

New Chapter E-Mail

The chapter will have a new email address that is currently set up. The old one will be phased out at the end of May. The new chapter address is:

rochesterars@gmail.com

USB Drives

Our CD committee has received the USB Drives! The material on the drives includes concert audio from 2004-2006 and 2008-2014, archived recordings from 193, Martha Bixler's June '06 chapter recital, programs, fliers, photos, and more! As more material is received and digitized, it will be made available to the chapter through Dropbox, where we have been storing the concert audio for several years.

The drives will be ready to distribute at the May 5th and 12th meetings, as well as at the Spring Concert. Tom Mangialino will hand out the drives at no charge, though voluntary donations will be welcome to offset the costs.

A huge thank you to Stan, Tom, and Neil, who have been hard at work on these drives for several months!
