## Fall Workshop

This year we will meet on Saturday, November 14, from 9am-4pm. The morning will be a structured recorders-only gathering with pieces led by volunteers. The afternoon will be more of a free-play with some members of the small pipes, dulcimer, and fiddle groups. We will stick to a folk music/Celtic theme for the afternoon. If you haven't signed up to attend, lead, or bring music (or all three!) see or email Regina to do so.

Remember that we will be raffling off the PtRM prize of \$50 to Lazar's Early Music! Please see Marian for tickets at the 11/10 meeting or purchase them at the workshop during the morning session.

\$3 for 1 ticket.

\$5 for 2 tickets.

\$10 for 5 tickets.

## Winter Weather

The snowy season is fast approaching (despite this balmy November so far!) so please remember that if schools close on a meeting Tuesday we are automatically canceled. If it's snowy and you haven't heard from your teacher regarding canceled classes but it looks a bit hairy out there, please stay safely home with a warm cup of cocoa! We are all over the region, so while it may not be too treacherous for some, it might be for others.

## Mini Maker Faire

Mark your calendars for the November 21<sup>st</sup> Mini Maker Faire! Our booth needs volunteers who are willing to talk to lots of people (let's get practicing our hard sell, folks!) and demonstrate their instruments by playing some duets or trios. Sign ups for booth shifts will be at the 11/10 meeting. Set up and take down volunteers also needed.

## Winter Gathering

Tuesday, December 8<sup>th</sup> is coming quickly! Even if you aren't a regular meeting attendee, please consider attending this gathering for some great music, a fun play-along, and (of course) chocolate!
