New Season!

Hello chapter members! It's hard to believe that the Spring Concert was almost four months ago, and here we are on the cusp of the 2012-2013 season! We hope to make this season one of growth in both musical/technical development and, of course, membership. It's never too late to join the chapter, even if it's after registration night, so keep on telling your friends about us!

Registration Night

Speaking of registration, the chapter kicks off the new season this Tuesday, September 11th, at 7:15pm. We will meet in Hubbell Hall to register, pay dues (don't forget that checkbook!), meet the teachers, choose classes, and enjoy some tasty confections. Once that is complete, we'll disperse into the classrooms for short classes. Remember, if you pre-registered but are having second thoughts about your class selections, it's still possible to switch.

Chapter 50th Celebration

The Rochester Chapter was formed in 1964, which means our 50th anniversary is fast approaching. A wonderful way to celebrate five decades of musical excellence (if we do say so ourselves!) is with a CD showcasing our talents. Anyone interested in serving on a committee devoted to creating and producing this album should email Jess (jemb323@gmail.com) as soon as possible. Those with experience securing rights to music or working on any part of such an endeavor are definitely needed!

In Memoriam

Dean Hoover
August 7, 2012

Many of you may remember Dean Hoover, who was an avid fan of the recorder and a member of the chapter. A small group was able to visit Dean shortly before his passing and play for him some of the music he loved. His presence will be greatly missed.

Outreach

This summer, the Outreach Players brought music to Webster and Fairport, including a Montessori school! We've been invited back to Cherry Ridge to perform some holiday music on a Tuesday in December. More information to come at our next meeting!
