

# Recorder Ripples

Volume IV, Issue 2

October 2012

## **Fall Workshop**

As the trees burst into vivid colors and fling their bright leaves all over everyone's freshly raked lawns—AGAIN—, remember that the Fall In-House Workshop approacheth! This year, the workshop is scheduled for Saturday, November 10, from 9am-12pm. Edie Prest will fill us in on the theme and other details at our meeting this week. The Von Huene gift certificate raffle will be drawn at the workshop.

## **Instrument Alert!**

The chapter is in possession of a bass recorder that is not currently in use. Any members who are thinking about expanding their repertoire to include a bass but would like to give it a test run are encouraged to borrow the instrument. Please see Liz or Neil Seely if interested, as the bass is in their care.

## **Von Huene Raffle**

Raffle tickets for the two \$50 Von Huene gift certificates are still being sold at every meeting until the workshop! \$3 each, 2 for \$5, 5 for \$10.

## **Otto Green Day**

*Saturday, October 27  
9am-12pm*

Our chapter is fortunate to have the use of such a fabulous facility that provides us with all the space we need for classes, meetings, and special events. Let's give back by helping to clean and winterize the church and grounds on this autumn's Otto Green Day.

## **Outreach**

The Outreach Players have been invited back to Cherry Ridge to perform some holiday music on Tuesday, December 4th. If any outside groups or classes would like to participate by playing their Winter Gathering music as part of the Outreach Concert, please contact Liz ASAP.
