November 2012

Fall Workshop

The time has come for our Fall Workshop! Theme: *Favorites*. We hope you join us this Saturday, November 10th, from 9am thru 12pm to enjoy a variety of music chosen and led by our chapter members. Caffeinated beverages and delicious confections will be provided.

Don't forget that the Von Huene \$50 gift certificates will be awarded to the raffle winners at the workshop! Tickets will be available for purchase when signing in. \$3 each, 2 for \$5, 5 for \$10.

Inclement Weather

It's that time of year again, when blizzards and icy roads preclude many members from making the drive to our Tuesday meetings. If the weather seems too severe or schools/evening activities are cancelled in the region, an email will be sent out as early as possible. Also, teachers will be notified and will call their students to make sure nobody braves the snow or ice in vain.

Chapter member and Hospitality Coordinator Paul Breese-Garelick underwent emergency heart bypass surgery on October 30th while in New Orleans. The procedure went well and Paul has been released from the hospital. He should be back in town later this week.

We offer our well-wishes for a speedy recovery and hope to have him back among us soon!

Chapter Info Cards
