

# Recorder Ripples

Volume IV, Issue 4

January 2013

## Spring Workshop

Despite the chill in the air, springtime approacheth! Our annual Spring Workshop, led by Larry Lipnik, is scheduled for Saturday, March 23rd, 9am-4pm. More information on the theme ("German Gems") will be forthcoming.

## PtR Month

March is Play-the-Recorder month and Saturday the 16th is "Recorder Day." The ARS encourages members to play Will Ayton's setting of "Porque Llorax, which can be found on the national website. Anyone unable to obtain a copy of the music from the website can notify Jessica, who will email or print out the pages.

## Wanted:

A member is seeking to borrow a reel-to-reel audio tape recorder for retrieving archived chapter recordings to use for the 50th Chapter Anniversary celebration in 2014. If anyone has one or information on where to access one, please contact Jessica: [jcmb323@gmail.com](mailto:jcmb323@gmail.com).

## Inclement Weather

REMINDER: It's that time of year again, when blizzards and icy roads preclude many members from making the drive to our Tuesday meetings. If the weather seems too severe or schools/evening activities are cancelled in the region, an email will be sent out as early as possible. Also, teachers will be notified and will call their students to make sure nobody braves the snow or ice in vain.
