

Recorder Ripples

Volume IV, Issue 5

February 2013

Spring Workshop

Our annual Spring Workshop, led by Larry Lipnik, is scheduled for Saturday, March 23rd, 9am-4pm. "Gems of Germany" will focus on Hellenistic composers and move onward through history.

PtR Month

March is Play-the-Recorder month and Saturday the 16th is "Recorder Day." The ARS encourages members to play Will Ayton's setting of "Porque Llorax, which can be found on the national website. Anyone unable to obtain a copy of the music from the website can notify Jessica, who will email or print out the pages.

ARS Membership

****Special****

In honor of Play-the-Recorder month, new or lapsed (2+ years) members may join the ARS for only \$35, a 25% savings. Join online or print and mail the application form available on the ARS website.

Member News:

Please extend prayers and good thoughts to our own Richard Taglieri, who is dealing with some difficult health-related issues.

Hudson-Mohawk Chapter Workshop

The Hudson-Mohawk ARS Chapter presents "Connections," an exploration of borrowed tunes between composers and styles from the late Middle Ages to contemporary times. Hosted by Will Ayton, the workshop will feature pieces written for the Rhode Island Chapter of the ARS. For more information, including costs, please contact Jessica.

Priorities!

Since it's getting harder and harder for Jessica to hide her ~~rapidly expanding waistline~~ lovely glow, she feels it is time to announce Brennan progeny #3, due to make his or her appearance in late June/early July, conveniently avoiding any conflicts with ARS duties. Nice timing, kid!
