

# AMERICAN RECORDER SOCIETY

## Rochester Chapter

*If you've got it... flaut it!*

### The Rochester Chapter of the American Recorder Society is looking for new members!

Never before played recorder? Haven't touched one since fifth grade? Only play for fun or as a hobby? No matter what your skill level may be, we have just the thing for you!

Our talented volunteer teachers provide opportunities to participate in learning sessions, consorts, and performances. We meet from September to May, ending the season with a public concert.

This year, we are offering again a special class for wind players who haven't played in a while and now miss making music. The class will focus on the necessary skills to quickly advance proficiency.

### 2011-2012
